

FB Distinction 360gsm

Digital & Fine Art Archival Printing Solutions for the Imagemaker

Description of Product:

A triple weighted, bright white fibre base paper allows this new acid free media to take print quality to the next level. The triple weight feature imitates the traditional look and feel of a true Baryta paper and provides an almost 3D quality to many printed images. This 100% alpha cellulose premium high white gloss Baryta paper guarantees the full archival stability standard.
